MEMORANDUM FOR: Director of Basic and Geographic Intelligence
FROM: Chief, NIS Division
SUBJECT: NISD/BGI Activity Report for June 1973

A. Research and Technical Support Activity and Processing

1. Contributor production (U/OU)

NIS contributors turned in 18 manuscripts in June, which brought the total submissions by USIB and non-USIB contributors during FY73 to 202 General Survey chapters, 12 detailed NIS, 2 port sheets, and 1 urban area study. Still to come is a scheduled commitment of some 30 contributions to General Surveys which are currently in process. The Appendix provides a breakdown, by agency, of NIS contributor production.

2. NISD production (U/OU)

25X1A9a

25X1A9a Country Profiles were drafted during June on Italy (by [redacted] and Liberia [redacted] completed his contribution to a joint draft (with [redacted] of the [redacted] Pakistan Profile. 25X1A9a

3. NISD processing (U/OU)

Editorial processing of General Surveys on India, Mozambique, and East Germany (less Armed Forces) were completed in June and sent forward for Committee review. Comments were received and the Surveys were readied for the printer on Honduras (less Country Profile) and East Germany. The Armed Forces chapter was not included in the

East Germany Survey because of production problems in DIA; this unit should be completed in early July. July review by the Committee is expected for General Surveys on Brazil, South Korea, and possibly Italy.

4. NIS publication (U/OU)

PSD published 15 units in June. Those disseminated were General Surveys on Guinea, Iceland, Iran, and Sweden. The Highways of Czechoslovakia and the Oceanography of the Central South Atlantic Ocean were also published.

Other OBGi items published were two Map Acquisitions Lists, a GM Report, and one NIS Notice.

5. Miscellaneous NISD support (C)

a. Both the on-shelf published General Surveys and newly received manuscripts on Greece were provided [REDACTED] (IC Staff) at his request.

b. DCI/SAVA requested and received a complete set of published NIS on Burma.

c. DDS&T was sent seven NIS studies on Marine Climate and Oceanography covering parts of the Atlantic, Pacific, and Indian Ocean Basins.

d. OER was provided superseded NIS on Armed Forces General, Ground, and Air Forces on the Arabian Peninsula.

B. Phaseout (U/OU)

A phaseout of the NIS has begun pursuant to the DCI's decision that the Agency will no longer provide resources for the program.

1. Workload

Plans call for completion of all General Surveys scheduled for FY73 and for processing of an additional five surveys to be submitted in FY74. Areas to be covered on the revised FY74 schedule are Denmark, Republic of China, Spain, Turkey, and Czechoslovakia.
